### **Volunteer Opportunities**

Click on the links below for more information about volunteering opportunities. If you don't find something that works for you, then do something, ANYTHING to help Democrats win their seats.

Tell your friends why you support Harris; make a donation to Dem campaigns; post your support on social media; submit a Letter to the Editor; ask anyone you meet if they're registered to vote and invite them to do so.

Take **ACTION!** We can do this!
